Instructions

Look ahead for this class

- Learn Python
  - modify pictures
  - create games
- Comfortable with computing
- Get you more interested in computing

Turtle in a world

https://docs.python.org/3/library/turtle.html

A lot of functions

- forward
- backward
- right
- left
- goto
- penup
- pendown
- pencolor

## What does this code draw?

```
left(90)
forward(25)
left(90)
forward(50)
right(90)
forward(25)
```
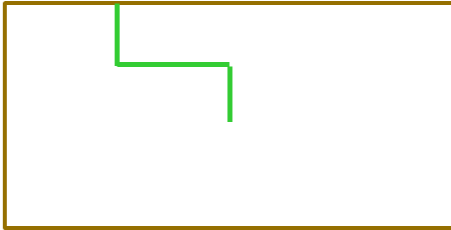

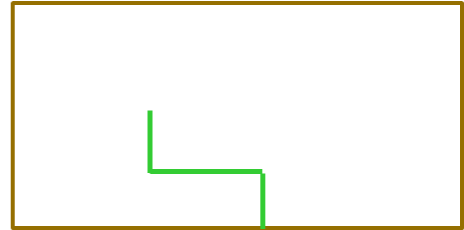

Hint: Turtles start facing right
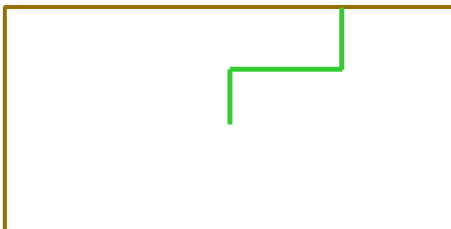

A

C

B

D

## What does this code draw?

```
left(90)
forward(25)
#note the change of order
forward(50)
left(90)
right(90)
forward(25)
```

Hint: Turtles start facing right

A

C

B

D

# Practice

1. Please use turtle to write at least one letter in your name

2. Please use the turtle to draw a house
